CONSTRUCTION

SAMPLE BIM PROJECTS

● BGE, BALTIMORE, MD

Scope of Work:-

- LOD 500 BIM Model for MEPF
- Architecture Services from Point Cloud
- MEPF coordination to avoid clashes amongst the services

● WMATA

Scope of Work:-

- BIM modeling & coordination
- Shop drawing creation
- As-built drawing
- Asset management: COBie parameters

● MSA - DLS

Scope of Work:-

- Virtual design and construction (VDC)
- Model collection from each trade
- Clash report generation.
- Assisting client with Sign-off Model and drawing creation

SAMPLE A/E PROJECTS

TRUCK BAY

Scope of Work:-

- Architectural, Structural & MEP design & modeling
- Civil drawing creation

CHILD DAY CARE

Scope of Work:-

- Revit BIM modeling
- On-site coordination
- Constructability review
- As-Built Documentation

REGAL WEST VIEW

Scope of Work:-

- Structural steel framing
- Cold-formed metal framing with calculations
- Shop drawing creation
